*Syria is
waiting for you!*

Damascus, 15 July 2026

Dear Colleagues,

In 2026, Sahara International Travel & Tourism proudly marks 45 years since its founding in 1981. For more than four decades, we have welcomed travellers with reliability, professional knowledge, and a deep appreciation of the history and heritage of Syria and the wider Middle East.

From our earliest years, Sahara has specialised in carefully organised cultural tours, study programmes, and tailor-made journeys. Our guests return home with lasting memories of ancient cities, living traditions, generous hospitality, and the people who make every journey meaningful.

Today, we continue to work with our valued partners to offer authentic and well-organised programmes in Syria, built on local expertise, personal service, and responsible travel. We look forward to creating new journeys together and welcoming your guests with the same care that has guided us since 1981.

With kind regards,

Manaf Alhalabi
